The Retired Men's Club has a rich history of providing fellowship among its members, and provides many options to help foster an active lifestyle.

The Club is best known for it's annual Christmas Tree Sale, which raises thousands of dollars. Club members volunteer their time, so the money raised will benefit YMCA youth programs and services.

The Retired Men's Club also sponsors two Pancake Breakfast events each year.

Other activities include an annual corn boil, picnic, billiards, bowling, golfing, card club, bus trips and men's chorus. Weekly meetings also feature guest speakers, providing valuable information on a variety of interesting topics.

Join us as our guest for a meeting. Details on the left!
